JAN HARRIS –

Join Jan, the founder of Angel Care, on this special cruise to raise funds to help find a cure for breast cancer.

Put your cruise plans to a good cause this summer as you discover Alaska's Inside Passage. Sail from Seattle, followed by a day at sea, and then visit Alaska's capital city of Juneau, where you can ride the tramway up Mt. Roberts for a spectacular view of the city, or see the Mendenhall Glacier just outside of town. Depart Juneau for Yakutat Bay, where you'll see the Hubbard Glacier, the longest tidewater glacier in Alaska, with an open calving face measuring six miles across. Continue to Sitka, which offers a mingling of Tlingit and Russian histories and cultures throughout the picturesque city. In Ketchikan, explore Creek Street, raised on stilts and once a notorious red light district. Finally, spend an evening meandering the shops, pubs, galleries and fine restaurants of quaint Victoria, British Columbia, before disembarking in Seattle.

"Cruises for a Cause" is a series of fundraising and purpose-driven cruises, sponsored by AAA Travel and various philanthropic organizations. Please join us as we all have one purpose for the future: to find a cure and help those who are going through treatment.

In Honor and Memory of Three Beautiful Women!

Ellen York lost her life in May of 2009. She was an image consultant, former dress designer and best-selling author. Ellen's career allowed her to touch and change so many lives, and she will be missed by many.

Pam Anderson, sister of AAA Washington employee, Jeanette Crockett, was a wife, mother, grandmother, daughter, sister and aunt. Her family was her life. She was first diagnosed with breast cancer in February 2007. After six months of chemotherapy and four months of radiation, she found out the cancer had spread to her brain and lungs. On August 24, 2008, Pam passed away. She may have lost her battle, but she never lost her fight.

Helen Jacobs was the owner of Mercer Island Travel and had her agency in Washington for 20 years. Now gone more than 12 years, she is still fondly remembered in the travel community. She was a mentor to, and has touched the lives of, so many. She had a passion for travel that was never-ending. Helen was a "breast cancer friend" of Jan Harris.

Jan Harris is the founder of Angel Care from its inception since 1997. After being diagnosed with breast cancer in 1993, she shifted her focus from a corporate background in banking to working on women's health issues when she discovered that no similar resources to Angel Care were available. She has been a speaker on breast cancer issues and an advocate for breast cancer awareness.

Angel Care is a non-profit 501(c)(3) organization serving Washington and Idaho. Angel Care volunteers, breast cancer survivors themselves, empower the newly diagnosed by providing free person-to-person emotional support from diagnosis through treatment, as well as offering important resources to help inform patients about breast cancer.
